### CORONAVIRUS: MESSAGE FOR PARENTS AND FAMILIES

In light of the developments surrounding the Coronavirus / Covid19 we wanted to inform you of the action Bibleway is taking to safeguard parents, families, community and members that visit our meetings.

We will continue the work of the church delivering care and guidance. We will do this whilst carefully watching and monitoring the government guidance for responding to the changing situation as this relates to travel and keeping a 'safe distance' from each other. We will consider alternative digital ways of seeing you if it is not possible to see you in person.

We will be operating a no touch policy and following the advice around hand washing and hygiene in accordance with Public Health guidelines. This is to reduce anyone being put at risk so please do not be offended. If you have an appointment or intending to come to our venue, please contact us beforehand to book or confirm your appointment. We will of course inform you if the appointment or service is not going ahead. If you experience symptoms (i.e. recent onset of a new continuous cough and/or high temperature) please do not come to the office/ building but contact us by phone or email.

In some circumstances home visits will be arranged but we ask that parents and families notify us if they or any member of their household experience any symptoms so we can ensure none of our community or members are put at risk.

Everyone here at Bibleway appreciates the challenging situation we now find ourselves in. Our officers will be available as usual to discuss any concerns you may have around the services available to you, and you can get in touch via telephone or email.

Bibleway would like to thank you in advance for your cooperation.

Yours in Christ

A handwritten signature in black ink, appearing to read 'E. Copeland', written in a cursive style.

**Diocesan Bishop E Copeland  
Bibleway Churches UK**
