## **A word of welcome from our National Women's President and First Ladies**

On behalf of the Bibleway Churches UK national women's department I would like to welcome you to our national women's conference 2022, as we enter 'His presence' together with anticipation and excitement of another awesome experience. The principal aim of our national women's team endeavours to be 'connection' and it is our hope to continue building stronger links with the women's ministry teams within our churches and just as essential, to connect with the communities in which we serve.

The theme for our conference this year is 'loneliness, anxiety and isolation' which were topics that came out of our survey conducted earlier in the year. In the post covid era that we have entered, we have come to find that people are battling more anxiety, than ever, including much younger children and teenagers. Loneliness and isolation can come in many forms, and for various reasons, and we will have the opportunity to explore these themes throughout our conference.

The importance of the younger and older generations finding ways to connect cannot be underestimated

and we must make every effort to explore ways in which we can enhance connection between the young and the old, and to learn speak to each other in a language that can be understood. To do this, we must try to open our hearts and to listen to each other. Every generation has their purpose in the Lord's plan, in the tapestry of life that will be woven until He returns. The programme we have put together this year incorporates the very young, the not so young, and the young-old as we lovingly refer to our senior members. There is a section for our 'hidden treasures' in our morning and afternoon session, in which we try to give some exposure to the ladies among us that may not be as well known. If you have any hidden treasures and/or talented ladies in your churches please do let us know for future events.

This year, the national team wanted, principally, to encourage our new regional presidents, Missy Paulette Jackson for the London Region and sis Vern Mussington for the Midland Region. We had two wonderful connection days in the summer, one at True Vine, Tulse Hill, with the women's ministry team led by sis Jennifer Felix, who hosted a warm and friendly BBQ inviting members of their local community, and, the other one in Bedford, hosted by sis Vern and

mother Beryl James, thank you ladies for your exceptional hospitality for both events.

I must thank the national women's team and the local presidents of our churches for their continued support over the last year in our monthly prayer line and planning meetings for the conference. The fellowship we have during these meetings continues to be a source of strength to me as we serve together. I would like to mention a special thanks to deaconess Tracey-Ann who helps to keep us structured and in order with her timely minutes of all our meetings, we value her immensely.

I pray that this conference will be all that we hoped and prayed for and more.

With love and prayers, your sister in the Lord, Pastor Penny, on behalf of the Bibleway Churches UK National Women's Team.

# My Journey Through University

## Pardon the cliché

As a young girl growing up, I was always interested in nursing. I went through secondary school finding education a challenge also because I had some health issues my mother did not encourage me in pursuing this path but, I continued to make applications to various Trust but was never successful. Over time I gave up saying "I like nursing, but nursing doesn't like me".

Years went by and I gave up trying, instead I ventured into other areas of care e.g., childminding, residential care with children & young people and residential care home for the elderly. I went on to work in the Hospital Setting (Acute), it was here I was inspired to pursue nursing again. After making enquiries I applied to college to join their Access to Nursing Programme and went on to apply to universities undergraduate programme.

I experienced a lot of challenges academically and personally. During the start of the 2<sup>nd</sup> year, I found my daughters father dead and in the month of December both my mother and father died within 24 days of each other. Though it was hard I continued, I remember during a Anatomy and Physiology lessons hearing the lecturer explaining the processes certain organs of the body

go through affected emotionally but I continued with the course. I have a principle that I stand by and encourage to adapt this, I like to finish whatever I've started. With the Prayers and encouragements of family, friends, and supporters I stayed the course and I have finished the Undergraduate Adult Nursing programme (with Honours) and awaiting my Pin (registration) from the Nursing and Midwifery Council (NMC) to officially work as a qualified Nurse.

# A Proud Servant Of Our Lord Jesus

Greetings to you all in the precious name of Jesus. My name is Sister Vernadeen Mussington and I am proud to be a servant of our Lord Jesus Christ. I received the gospel and was saved in Ipswich Bibleway Church but have been a member of Life Tabernacle in Wellingborough/Bedford for many years. I am a secondary school teacher in Bedford, teaching Computer Science and Information Technology to students aged 11 to 18.

In my new role as Midlands Women's Ministry Leader, my desire is to humbly labour to build upon the foundation of my predecessors. I hope to work with women in the regional churches; forging positive and fruitful relationships, identifying needs and exploring ways to enhance our effectiveness in our local churches, regional church and our local communities.

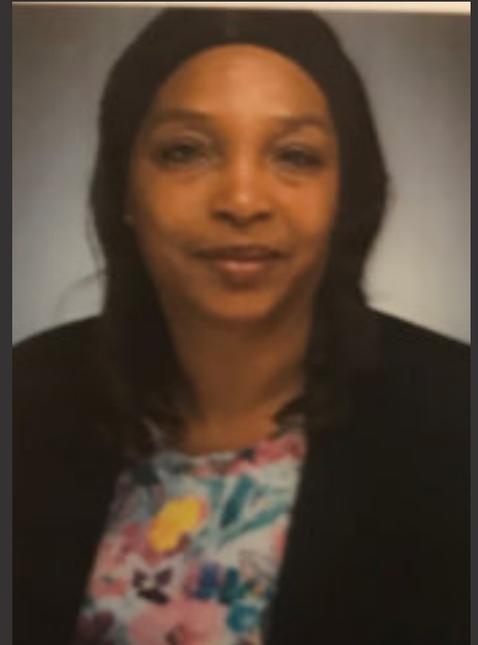

The beauty of salvation cannot be surpassed. It's a journey that enables you to fully understand the meaning of Life. Scarcely would a man die for his own; yet I serve a saviour who died for us all. When I am basking in green pastures, I feel a joy and relief just like the children of Israel when they reached the promise land. When I have journeyed through the wilderness of life, I have felt the eternal presence of God guiding, sustaining and renewing my spirit.

We have lived to witness an unprecedented upheaval around the globe and have watched with awe as God extends his arms to the world saying "Come unto me". There is no magical remedy that will revive the destruction mankind has subjected this world to; nor is there an exit strategy that can mend a broken world.

Although we are living in troubled times we can find comfort in the Lord Jesus Christ. Salvation is the only normality left in this world, giving your life to Christ is the only sanctuary. When you seek this normality, you will gain eternity.

When I consider my Saviour, I have learned that the most precious attribute he emulated to the world is LOVE. A love that saves, delivers, heals and comfort those in need. I exhort you all to love unreservedly and unconditionally. If we do not have anything to physically give, let us remember that a show of love will encapsulate all that we can say or do; and our Christ like love will save and restore souls for his kingdom.

May God's grace and peace be with you always

# Money Management Presenter Missionary Beverly Carter-Allen

Greetings to the Bibleway Family

I have been a member of Rhema Church Ministries since the 1970's and have held various roles within my local church such as Sunday School Teacher, member of the trustee's board, and doing a lot of the administration work as necessary.

I have also been involved with the young people's choir regional and national. Secretary to the missionary's department, coordinator for registration at national convocation, secretary to the national planning committee for national convocation, and also assisted with registration at the midland's convocations.

In 2007 I took early retirement, and wondered how I was going to manage, but God has been faithful. I took some time out to rest and recharge and then decided to volunteer at my local citizen advice bureau. I did the training and qualified as a generalist adviser. I also worked as a trainee debt adviser during this time. After some years I had to give it up as I was unable to continue to do two days per week due to my caring responsibilities.

After a short break I volunteered at the Wimbledon Foodbank assisting where necessary and gave that up just before lockdown.

I am an advocate for my brother David who lives in a care home and a carer for my dad who is over 100 years old.

I am now managing my finances a lot better and decided to do a Christian Against Poverty money course in July last year which I found very beneficial. I recently did a Budget Coach training course with Community Money Advice which is also a Christian Charity.

I am now able to assist anyone, who would like to take control of their finance by doing income and expenses and depending on the result, help them to set up a budget or signpost them to the charities that gives free debt advice.

This is something that I am passionate about and believe that if I am able to help even one person, it would all have been worth it.

My talk during the Women's Conference will be Managing Money Our Way or God's Way.

## Was it really Friday again?

Was it really Friday again?  
Time seems to pass so fast these days.  
I really have to try and mend my ways.  
Life seems to be keeping me so tied up  
I hardly have time to lift my cup  
It is full and over flowing with the cares of this life  
Worry stress and daily strife  
There is not much time for family and friends  
I shout out Lord when will this struggle end

He reminds me I am not alone  
To the struggles of life we all were born so don't  
give up please don't moan  
I have for your sins atoned  
Please don't worry please don't fret  
Life has not done with you yet

You may struggle you may fall  
But I am listening I heard your call  
I am here by your side  
Lift your head walk tall with pride  
You are my child and I love you so  
I will never ever let you go  
Help is on it's way today  
Just remember to give thanks and pray that you will  
see another day  
Because some will not rise again  
That is it their life came to an end

## If it was not for the cross

If it was not for the cross  
Love would be loveless  
Hope would be hopeless  
And peace would be turmoil in this wretched world

If it was not for the cross  
Mercy would be ruthless  
Grace would be graceless  
And suffering would be lengthened because of our  
iniquities

They did not know me as you do  
They could not praise their way through  
They were so over come  
over worked and over run  
They did not want my love you see  
They chose not to believe in me  
But you are blessed yes you have been set free  
you repented and turned your life over to me

Now your running in the race  
Each new day you receive my Grace  
My grace and mercy will take you through  
It is there to help you in all you do  
Life may still try to hold you down  
But shake it off don't you drown  
I am a child of God you say  
I choose to worship and to pray  
By living by your holy word  
By telling all what I have received and heard By  
loving each and everyone  
It is with victory I now run  
As I know my battle has already been won

So in closing to you I say  
Don't give up repent and pray  
And if today should be my last  
Know that I accomplished my task  
Filled with God's love joy peace and happiness.  
To heed and answer to the call  
To lend a hand to one and all  
To live my life the very best

By D.S. Brooks

If it was not for the cross  
Thorns would be our bed  
Nails our shackles  
And the sword would be our destruction

If it was not for the cross  
Our filthy rags would not be cleaned  
Our dying souls never redeemed  
Locked away forever from eternity

**Evan Sheila Vaughan at Tottenham food hub with Nationwide Tottenham**

Tottenham Food Hub volunteer

It with great respect that I write these words to express my gratitude and appreciation regarding the contribution Evangelist Shelia has and continues to make to the service we provide to are service users at Tottenham Food Hub.

Tottenham Food Hub welcomed Evangelist Shelia in 2019, she heard about the Food Hub and wanted to volunteer, she came all the way from South London every Tuesday with enthusiasm and willingness to filling in were needed.

Evangelist Shelia took on the role of providing hospitality to our service users before the covid pandemic; we would invite and welcome our service inside our hub space to have a cup of tea or coffee and to have a chat and spend some time with us. Evangelist Shelia suggested we make the service users sandwiches to go with the tea and coffee on offer.

Every week Evangelist Shelia would be our official Sandwich maker, using whatever fillings we could source to produce tasty, full sandwiches; that the service users and other along

volunteers appreciated.

Evangelist Sheila would also make herself available to offer prayers for those service users who came to the hub looking for spiritual intervention.

It's no surprise that Evangelist Shelia was recognised and acknowledge along with the other amazing volunteers at the Food Hub by Haringey council as a Haringey Hero for the amazing contribution that the Food hub provides for the local community in Tottenham who are facing food poverty.

My name is Tamar. I was born in Jamaica and came to the UK in 1993 at age 11 years old to the household of Maxine Buckor, where I was brought into Built on Faith Church, in Hitchin. I was baptised at age 13 but shortly after this I left the church. The Lord Jesus Christ met me in my kitchen in 2016 when I cried out to Him after having a very difficult year. I was filled with the Holy Spirit and my life has never been the same since. I returned back to the church, Build on Faith in 2017.

My passions and desires are to see the children of God hot and on fire for Him, worshipping Him in Spirit and truth and for the young people to have a real desire and passion to serve the true living God.

I am a mother of 3 children, 2 of which are teenagers. I am a social worker, in the mental health field that specialises in psychosis, I have worked in this team since 2017.

#### Hidden Treasure – Valerie Ayton

Taking that eternal step to walk with God is one of the most precious and important decisions we may ever make in this lifetime. Being saved during the pandemic, when the world had ceased to function as normal, allowed many the opportunity to think and ponder about what was happening around them. Valerie started her journey with the Lord on 9th October 2021, having reached a point where she realised that “God had a purpose for [her] and all [she] needed to do was trust him and follow his directions”.

Every journey in life that we embark upon presents crossroads, diversions, road blocks and difficulties. Valerie’s journey has also been the same, facing challenges such as parenting, non-believing family members/ friends and communication issues. However, she has set her heart and mind to overcome the negative messages that she may repeat over and over to herself, all of which are untrue. Counter acting this by continually praying and asking for the negative messages to be removed and replaced with positive thoughts

and Godly affirmations. She has chosen to maintain a daily journal where she can offload all of her thoughts and re-evaluate them on a regular basis. Her words of encouragement to those who are yet to give their lives to God is “Do it without any hesitation, you will see significant changes occur and you will no longer feel any fear. Your life will be transformed”.

Since joining Life Tabernacle Fellowship, she has shared through presentations her passion for maintaining and encouraging Healthy living. When asked what has influenced this focus she explains “We tend to put others first, but God wants us to put ourselves first and ensure that we are eating nutritious foods, exercising and having a well-balanced life style”. Proverbs 13:25 says A righteous man eats until his heart's content or eats enough to satisfy his appetite.

Here are some tips Valerie has outlined to assist us all in maintaining a healthy lifestyle.

1. Keep a food diary and note down all you eat so you can examine it and make changes to your food intake.
2. Drink plenty of water, about 2 litres daily.
3. Get out and exercise, any movement that will allow your heart to beat faster. Good forms of exercise include swimming, walking (10k steps a day) and cycling.
4. If you mess up, do not stress...start afresh tomorrow.
5. Get more sleep it helps to zap your stress.

Valerie has shown us that we all have hidden treasures within that God wants us to share with others. When God calls us into an assembly he has identified specific skills, knowledge and abilities that allows the body to be fitly joined together. As each part does its own special work, it helps the other parts to grow, so that the whole body is healthy and growing and full of love” Ephesian 4:16. (New Living Translation)

There is so much more that God will bless us with through her, stay faithful and diligent in the works of God.
