WOMEN'S CONFERENCE 2020 | SAT 26 SEPT

**Penny Gordon**

## A word of welcome from our Women's President and Bibleway's First Ladies

On behalf of the Bibleway Churches UK national women's department I would like to welcome you to our conference as we seek to enter into 'His presence' together one more time with anticipation and excitement of an awesome experience.

The underlying aim of our national women's team continues to be 'connection' and it is our hope to build closer links with the local women's presidents of each of our churches within the national body, to enable us to serve each church more effectively.

Our connection project this year is a 'book of memories'. The book of memories will include memories from our youngest girl to our oldest lady from each church and is an opportunity for everyone to be involved. Once we have collected all the memories, a copy of our memory book will be sent to each church. The book of memories project will continue over the forthcoming year

so please have a word with your local president to obtain a copy of our guidance questions to enable you to take part.

This year has been unlike any other in history. As we sat at home during lockdown due to the COVID19 pandemic, we were also faced with the unjust deaths of Arnaud Arbery, shot in February while out jogging, Breonna Taylor, mistakenly shot by police in her own home in March and the murder of George Floyd by police in May prompting a worldwide response of protest marches. Our hearts broke over and over again as video after video of police brutality hit our social media platforms. The words of the American novelist James Baldwin were so relevant once again, 'Not everything that is faced can be changed, but nothing can be changed until it is faced.'

In these painful times we are encouraged in our theme verse in Isaiah chapter 30:15 that, 'in quietness and confidence shall be your strength,' to maintain complete confidence in the Lord alone and to trust that He is holding each of us very close to Him as we journey through 2020.

As this is our very first 'virtual' conference it would be amiss of us not to share the gospel with you and to encourage you to consider giving your life to the one who loves you most, Jesus. In John chapter 3 we read the story of Nicodemus who came to Jesus by night to have a private conversation with him. Jesus told Nicodemus that, 'unless one is born again, he cannot see the kingdom of God' and in Acts chapter 2 we see Peter explain the need to repent and be baptised, in the name of Jesus, for the remission of sins and you would then be filled with the Holy Spirit. If you would like to know more about becoming a Christian and coming into relationship with Jesus, the only one who can promise never to leave you or forsake you, please do make contact with us.

I pray this conference will be all that we hoped and prayed for and more.

With love and prayers, your sister in the Lord, Penny, on behalf of the Bibleway Churches UK National Women's Team.

**Sandra Copeland**

Blessings to the President and Officers of the National Women's Department and greetings to everyone in the Mighty Name of Jesus.

My greatest joy is having been a 'Door Keeper' (an usher) in the church for over 30 years. It is a great privilege and honour to serve the people of God in this way.

I actively supporting various ministries in my local church in Mitcham. I'm currently in the process of taking over a local community centre with great plans for ethnic integration and working together of a diverse community of over 100 different languages. I lead on a daily online prayer where we order our day in the presence of God and His word.

#### **Professional Background**

I have extensive experience working with children and families in both statutory and the private sector in the UK and Dublin, Ireland for over 20 years. I managed a secure unit having responsibility for strategic and operational management.

I have delivered training, supervision and consultancy to private sector managers within the field of children services. I was instrumental in the establishment of a local authority Family Intervention Project (under the stronger Families agenda) and worked directly with Parents as Partners to resolve conflict through person centred, solution focused interventions; and secure better outcomes for children. I am a trained and licensed Parenting facilitator and have delivered programmes to parents (subject to Parenting Orders via Youth Courts) of young people at risk of / involved in gangs. I am still engaged in providing training to staff within

children's services with particular emphasis on inclusion of fathers where there is separation or estrangement.

This has been an exceptional year of challenges, some stretching us in ways we never imagined and at the same time providing great opportunities for growth and change. The Women of Bibleway, as always have fought valiantly in a time of crisis, using some of the most powerful weapons such as prayer, unity, support, friendship and most importantly, love.

I would like to encourage everyone that takes part in this annual Women's Convocation to come with the confidence in knowing that you will have an experience with God, and that your mind, body and soul will be ministered to.

I look forward to joining with God's gladiators as we give thanks, praise and show our love to the one and only Saviour – Our Lord Jesus Christ.

Lady Sandra Copeland  
Director of Bibleway Children & Youth Ministry.

# Mother Joscelyn Smith

Built On Faith Apostolic Church – Hitchin, Hertfordshire

## Beginnings

Mother Smith was born in the parish of St Elizabeth, on the 16th December 1934 in Jamaica in the West Indies.

She heard the gospel and believed, was baptised and filled with the Holy Ghost when she was aged 16 years old, after hearing her Pastor Elder Taylor, of The New Roads Apostolic Church in Westmorland, preach the word of God regarding the need for salvation.

Mother Smith, Mother Jean White and Mother Daphne Campbell-McFarlane were the Young People, who carried out community outreach for Christ, by setting up a "Booth" in an area to Sing, preach The Gospel and invite people to accept Christ as their Saviour. Bishop Jonathan Smith was won to Christ, whilst on the way to do an errand, by one of these outreaches.

### EARLY PIONEERS

Mother.J.White,  
Mother.J.Smith,  
Mother.D.Campbell-  
McFarlane.

## Journey to England

Mother Smith finished her schooling and eventually moved to Montego Bay, to train and work as a caterer at a family member's cafeteria. It was whilst she was training and working here, that her mother received a letter from Bishop Smith, who had travelled to Hitchin in England to join his older brother Sydney who had established himself with work and a home there. In this letter was a proposal for Mother Smith to become his wife and a request that her mother would give him her own permission for the marriage if he was accepted by Mother Smith, when he later asked her. All of this was unbeknown to Mother Smith herself!

Mother Smith accepted his proposal of marriage and arrived in The United Kingdom in April 1962.

## Married Life

Bishop and Mother Smith lived with Bishop's brother at first; this enabled them to save up a deposit to buy their own home in Hitchin in 1966. Mother Smith continues to live here to this day.

### HOME

Hitchin, Herts.  
...And The...

Church Used  
for Worship.

## The Early Days of The Church in Hitchin

Bishop and Mother Smith started The Built on Faith Apostolic Church on the 28<sup>th</sup> October 1962 after a surprise visit of mother Jean White, to Sis Winifred and Elder Clement Bucknor, Bishop Smith's sister's home. This became the 2<sup>nd</sup> established church of The Bibleway U.K organisation.

## Ministry at Home and in The Community

Mother Smith is a mother to 8 children. Mother Smith adopted her son John as a baby following the death of his mother in Jamaica, before her marriage. She and Bishop Smith went on to have another 7 children in Britain. She worked nights as a Care Assistant in a Local Psychiatric hospital and Bishop Smith worked locally in Hitchin during the day, so that they could manage the care and upbringing of their children together.

Mother Smith whilst being a homemaker for her husband and children, also childminded so many, children in the community, the number cannot be counted.

She was a Mother to The Church, a Master Chef, A Carer of the sick in the Community and a Prayer Warrior.

# Ministry in The Church

## Ministry in Church

Mother Smith fulfilled many different roles in the Church. She taught the Sunday school, worked and exhorted as a missionary, helped cook for Regional Convocation and cooked for visiting preachers and saints who turned up at church. Her pots always had enough for unexpected guests, as well as her family and friends.

## Ministry in the Community

She physically nursed and cared for the sick and the infirm in their homes. She cooked for the vulnerable brethren, supplying them with her famous rice and peas and chicken. She supplied them with enough in quantity for Sunday and the week ahead.

## Ministry in Song

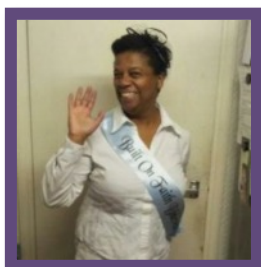

She taught the church and the choir songs from all the hymnals available (Pentecostal Hymnal, Church Hymnal, Songs of Joy, Sankey's hymnal etc) She loves singing and has a large deposit of songs stored in her memory.

## Ministry as a Prayer Warrior

Mother Smith has held a Tuesday Noon day Prayer meeting in the family home since the early days. Many people have been saved, filled, healed and delivered in these prayer meetings. These meetings continue to this day in her sitting room in her home.

# Conclusion- Her Legacy

- ✧ Mother Smiths' legacy continues in the lives and testimonies of the saints in Hitchin.
- ✧ In her Good Name and reputation, in the Hitchin Community.
- ✧ In her home and children and grandchildren and all the children she has cared for over the many years of service to them.
- ✧ And finally in Jamaica in The New Roads Apostolic Church, which she faithfully attended, whenever she returned to Jamaica and the saints there that she ministered to whilst there.

# BLACK LIVES MATTER TOO...

**2020** the year we will never forget! First there was the worldwide epidemic – The Corona virus. Then the world was shaken by the heartless horrific scene of the killing of George Floyd on 25 May in Minneapolis USA. The video showed George, a black man, lying on the ground, crying, and begging for help while a white American police officer knelt forcibly on his neck for over 8 minutes until he could no longer breathe. Those immortal words: “I can’t breathe” were shouted on the streets of the US, UK, Australia, and numerous countries all over the world, displaying the slogan ‘Black Lives Matter’.

The appalling action or rather inaction of Officer Chauvin, to the cries of George Floyd: ‘I can’t breathe’ shocked everyone and raised the issue of Police brutality and institutional racism worldwide. The subsequent marches and protests demanded that ‘Black Lives Matter’ causing organisations, public bodies, Charities and Churches to examine themselves, engage in dialogue and review their practices to consider in what ways they have discriminated against black people consciously or unconsciously. It was time to have those difficult conversations.

Black and White majority churches started to talk about the issues. For some of the older generations who took up the invitation to come to the UK in the late 50’s and 60’s from the Caribbean, the Black Lives Matter conversations reminded them of their experiences when they first arrived to the unfriendly notices: ‘No Blacks, No Irish & No dogs!’. Yes, back then it hurt, but it was not going to deter them from their purpose i.e. to work in the UK for 2 or 3 years, save hard and then return back to the Caribbean. The white churches did not welcome them, so they formed their own assemblies with the Church

providing spiritual guidance and fellowship as well as a place to build networks, form friendships and support. They would laugh because their short-term plans overtime became long-term with many deciding to make England their permanent home. Racism is bad but ‘heaven is my home’ and England gave them some opportunities they would not have had if they had not left the Caribbean. They had white neighbours, work colleagues and managers who they got on with and treated them well.

Conversations with the young people in our UK Churches and communities was quite different. They were incensed, took to the streets to protest, wore the Black Lives Matter T-shirts, and expressed their views strongly. They marched alongside many of their white peers. Our young people have no plans to return to the Caribbean and were not prepared to put up with racism temporarily like their Windrush generation grandparents did. No, the UK is their home, they have their future ahead of them and they want to see changes now for themselves and future generations to come.

Jesus said in Matthew 22 verse 39 ‘...Thou shalt love thy neighbour as thyself’. Also, in the Gospel of Luke chapter 10, we read of the parable of the Good Samaritan. Jesus tells of a man who is robbed, beaten, and left for dead by the side of the road. A priest and a Levite, good religious people who his hearers would have expected to be the heroes of the story, pass by the wounded man. It is a distrusted foreigner who stops and helps the man, going against everyone’s expectations. Jesus ends his parable with a question, “Who was neighbour to this man?” When the answer comes back to him, “It was the one who showed him mercy,” Jesus simply responds, “Go and do likewise.”

As God’s people we must stand with all people that suffer injustice but at this time in particular black people, sharing in sorrow and outrage when lives are stolen by those who have sworn to protect and serve our communities. I would like to think that officers such as Derek Chauvin are in the minority with the majority of Police officers, committed to doing right within our communities. However, in addressing the cries of victims like George Floyd, we need to call for accountability from the Police and insist on policies, procedures but more importantly practices that seek to address racism and to prevent it from turning deadly again.

# Testimony Corner

**Sister Vijay Kaur**

At the age of 8 I met two ladies call Pipa & Pavi who became very close friends of my family. They came from a Christian background and offend invited me and my siblings to bible studies / church events.

Due to me being a young child, I didn't take much notice of the bible studies as it was more of a social event for me. My parents being non-Christian people and came from an Indian background were always happy to send me as they knew I was safe.

When I turned 18 I had an arranged marriage but as things progressed my marriage started to slowly break down and this is when I got in contact with my sister-in-law (Jess) who attended Pastor Peter Nembard's church. Jess encouraged me and prayed with me regarding my marriage, in this prayer God told her that he wants me to give my life to him, In a matter of seconds I made a decision to receive Christ in my life and at this stage none of my family knew about my decision.

After a few weeks, I decided to get baptised which was a very private baptism and happened in a friend's garden.

To this day it is the best thing I've ever done.

**Nanny O'Connor**

My name is Hulda O'Connor, better known as 'nanny.' I was born in St. Catherine, Jamaica. From a young age (5yrs or younger) my mother took me to church and I always knew there was a God.

I still remember my Sunday school recital which goes as follows, 'titled: God sees me! 'God sees me!

He sees all that I do, God is good to me. He gives me all that I need. Oh God, help me to be good and keep me from sin!' (All done of course with the actions).

Mum taught us to do the right thing and not to follow other people and cause hurt to no one, always do that which is right. And I brought up my children with the same values, I sent them to Sunday school to learn about God. I brought bright colour ribbons for the girls' hair so that they could look nice. I used to pray and recite the 23,27 and 91 Psalms. I had to learn this by heart as I could not read or write as my mother die when I was about 7-8 years old. My father took me out of school to help him on the farm. So, I was not given the opportunities to learn even though I wanted to. When my children got sick, I would pray and anoint them with oil, and try to read the psalms over them. I could not read to explain the bible to them, but what I knew I gave them, the principles, and the commandments, it kept them on the straight and narrow. None of them brought trouble to my door.

I went to church under Pastor Bent's administration and I was baptised with my dear friend Minister Clare Eade on

the 26th June 1988.

I went to adult school and with Clare Eade's support along with perseverance I am now able to read and write.

The name of the women who inspired me in history is my very own mother Cordelia Cameron. My mother taught me to know God to seek him, to keep his commandments, bear no false witness against anyone, not to steal. To be a good citizen.

The woman from the bible that has inspired me is the mother of Jesus, Mary, she was good, flexible, and willing to serve the Lord in any form the Lord asked.

My Hopes and dreams were to be a Christian and be baptized in Jesus name. I wanted to serve God with all of my heart and mind. I brought 7 children into the world and my desire was and still is to see, know that they are serving the Lord in spirit and in truth.
