10. Conference Itinerary

A word of welcome from our National Women's President and First Ladies

Pastor Penny Gordon

On behalf of the Bibleway Churches UK National Women's department I would like to welcome you to our conference as we enter 'His presence' together with anticipation and excitement. A moment in our history that can never be repeated, to be captured in the essence of His presence in which we hope will be a life changing experience for you.

This year is a unique one as it is our first joint conference with the men's department, and we would like to welcome Elder Jason Young and the men's ministry team.

The theme for the ladies in our afternoon session is 'Moments, memories and mentors' with our scripture focus being the eminent declaration made by the young Ruth to her mother-in-law Naomi in Ruth 1: 18-19. 'Entreat me not to leave you, or to turn back from following after you; For wherever you go, I will go; And wherever you lodge, I will lodge; Your people shall be my people, and your God, my God. Where you die, I will die, and there I will be

buried. The Lord do so to me, and more also, if anything but death parts you and me.' [NKJV]

The importance of the younger and older generations finding ways to connect cannot be underestimated and in our theme in the evening, in our joint session with the men, we will look at 'challenges to connection', exploring ways in which we can enhance connection between the young and the old, the men and the women, endeavouring to learn to speak to each other in a language that can be understood. To do this, we must try to open our hearts and listen to each other. Every generation has their purpose in the Lord's plan and the tapestry of life that will be woven until He returns. Each of us has our part to play and though we may not understand one another at times, we remember that 'love makes things possible, not easy' and that our love for each other will find a way through every challenge. There is no challenge to our connection that we cannot overcome if we try.

A new development in the women's department this year is the appointment of Missionary Paulette Jackson as the London

Region women's president and sister Vernadine Mussington as the Midland Region women's president. These two appointments represent growth and an exciting new chapter for us all and our love, prayers and support will be offered to the two new presidents.

I must thank the national women's team and the local presidents of our churches for their continued support over the last year in our monthly prayer line and planning meetings for the conference. The fellowship we have during these meetings has been a source of strength to me as we serve together.

I pray that this conference will be all that we hoped and prayed for and more.

With love and prayers, your sister in the Lord, Pastor Penny, on behalf of the Bibleway Churches UK National Women's Team.

A day in the life of a Foster Carer

Each day there must be an ethos of routine, discipline and purpose. One of the repeating themes whilst training, as a Foster Carer is to give easy and stable routine in the life of the foster child.

Routine... My first thoughts are usually towards the foster child in my home at the time. I am always ahead of the game by looking at what is happening the next day by either checking my emails or diary the night before; this is so that I do not miss any important meetings or appointments. So essentially the preparatory work starts in my mind the night before.

On waking I usually check that my child or young person is ok, and they have had a good night. This I do by either knocking or entering the room depending on the age and ability of the child or young person.

With my current young person, I prepare all the bathroom items for morning shower or bath, and clothes. Once washed and dressed, I prepare a light breakfast and clean up the kitchen and bathroom whilst she's eating.

The next couple of hours are usually spent cleaning up the home and doing the laundry. Over the past year I have also factored in some time for a walk; a form of

exercise I enjoy, and it also gives me time to meditate.

Snacks and lunch are prepared by mid-morning and throughout the day I will read, check my emails, attend any booked on-line training and deal with several phone calls.

After 3pm I will turn my thoughts to an afternoon snack and dinner which is always served with a dessert.

The child or young person in my care will always have three meals a day: breakfast, lunch and dinner, plus snacks throughout the day. Some children may be coming from a place of neglect, and food plays a big part of their lives and so we try to ensure that they have a balanced diet and encourage a varied diet with healthy choices where possible.

Bedtime has its own specific routine this is to help give the child or young person routine and discipline.

Every child matters and we try to encourage positive creativity.

Once my children or young person is settled in their room for bed, I will spend some time reading, praying and meditating.

"Just a snippet of a day in my life as a Foster Carer."

A passion for people's Wellbeing & Health

Greetings to the "Elect Lady" and the lady elected to serve this awesome body of Christ; grace and peace be multiplied.

I am excited about what God is doing in the body of Christ, especially amongst the women. God had revealed to me, my purpose many years ago, therefore I function in the capacity where I know I am led, fed, and supported.

I have a passion for people's wellbeing/health, and being a caring person, I chose nursing/midwifery as a primary career. Teaching "Health & Social Care" and "Childcare" enabled me to study current trends and issues and to share wonderful and interesting facts with individuals, both inside and outside the body of Christ.

I have trained carers in the past and facilitated introductory courses for nurses and social workers in Lewisham and Erith College. Having completed my RSA in counselling, it prepared me for many of the issues that presented themselves amongst the students, saints and the wider public.

Having raised 5 beautiful and loving children, I have been

rewarded, (so far) with 3 lovely grandchildren. I am able to teach them about raising their own little angels, demonstrating the correct way to nurture and discipline them, in ways that would not destroy their spirit or leave them with memories of grief and unhappiness.

I enjoy assisting young people in raising the next generation to be loving, confident, robust and God-fearing. Psalms 127:3. 'Lo, children are an heritage of the LORD: and the fruit of the womb is his reward.' We are so blessed to have them; To God be the glory!

Health includes rest and rejuvenation of the body, soul and spirit, so I facilitated classes on relaxation, and guided meditation, after having completed a course in reflexology. The health trail has now led me to do a nutrition course, while cooking and preparing tasty and healthy meals for those with and without allergies and intolerances.

This body is the temple of the living God, 1 Cor 6:19. We need to sing his praises; lift up holy hands in praise, dance and skip for joy; in the body he has blessed us with.

In my God-given role, I am only assisting in the "Up-keep" of this wonderfully amazing and awesome building. We are fearfully and wonderfully made, marvellous are his works; we know that only too well. Psalms 139:14

Women of the Most High God, continue to celebrate who you are in God and strive to fulfil his purpose in your life. You are God's masterpiece!

Blessings always

IPSWICH CHURCH PLANT 1984

Memories of Pastor Helen Brown

My name is Helen Brown. I grew up in Cambridge until I was eighteen when I got married and moved to Bedford where I have been ever since.

When I was in Cambridge, I belonged to a thriving Pentecostal church which was part of the Bibleway organisation. I was very involved from a young age and we, the congregation, were always encouraged to get into evangelising the gospel. This included singing as a choir in the town centre, door knocking and personal evangelism.

In the summer of 1984, when I was thirteen, I went to stay at my friend Mandy Tylka's house in Ipswich for three weeks during the summer holidays. Mandy and I grew up together as best friends in Cambridge where she also received Jesus into her life. Mandy moved to Ipswich, when we were about twelve years old, and we remained very close friends.

That summer we had a great time catching up and having fun. One day Mandy said she was going to take me to meet some friends. We went to a house in Hervey Street, where a group of about eight young people were sitting and talking in the living room. I recognised Penny, Lucy, Marcus, and Julian as they used to live in Cambridge in the building next door to my church, the Midland Tavern pub, 1 Devonshire Road, Cambridge. I remember us getting into a conversation about Jesus and salvation. Both myself and Mandy used this opportunity to evangelise the gospel as best as we knew how. I knew the Holy Spirit had started something in the hearts of these young people and felt excited to go back to Cambridge and tell my Mum and Pastor.

Helen Brown

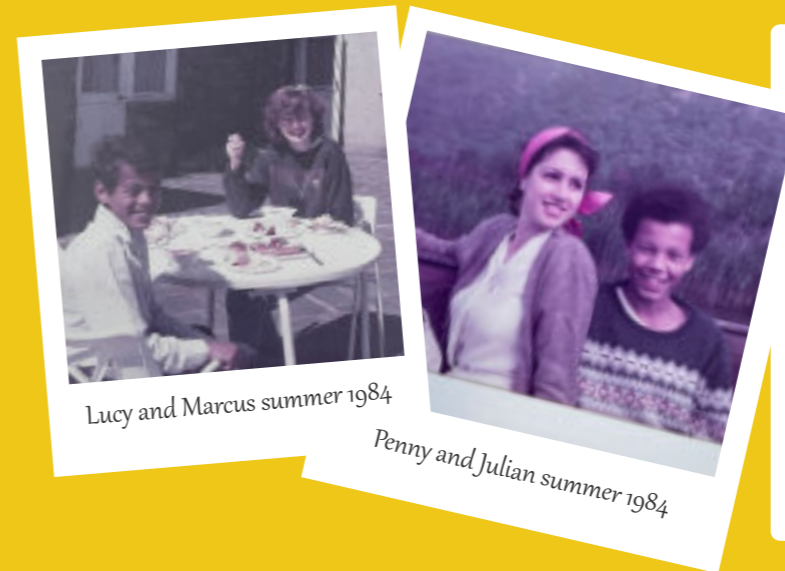

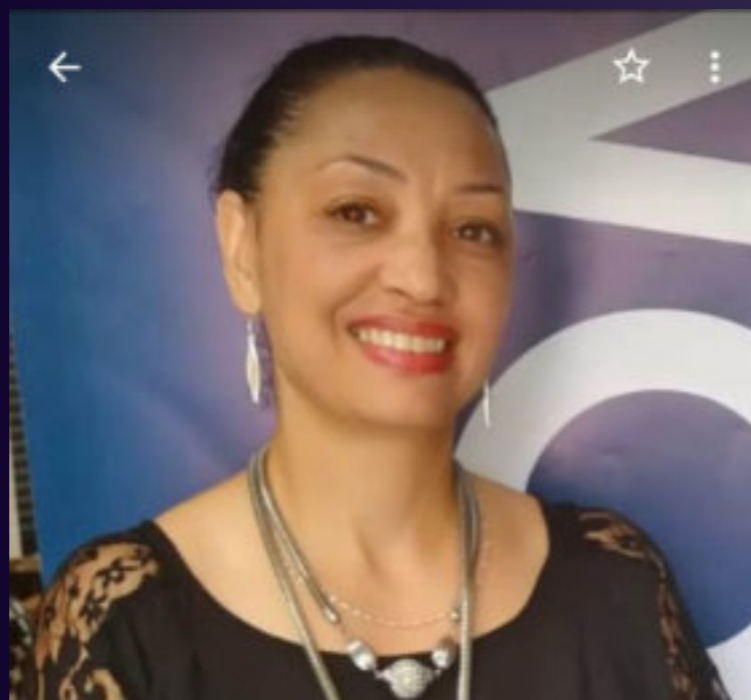

After my wonderful time spent in Ipswich, both Mandy and I travelled back to Cambridge together. Mandy came to my house and then went on to stay with her Nan who also lived in Cambridge, for the remainder of the school holidays.

We explained our experience with my mum who was so happy, not just because of what we had done but she also remembered Penny, Lucy, Julian, and Marcus as small children when they lived in Cambridge. I mentioned that we needed to arrange for my mum and our Pastor to go back to Ipswich and have a prayer meeting with our friends, they agreed and within a couple of weeks, they did just that.

My mum, Pastor Williams and other missionaries would go to Ipswich on a weekly basis, to continue evangelising. The group of believers was growing fast!

I remember going back to Ipswich a few times over the next few months with my mum, my Pastor, and other missionaries from Cambridge: Missionary Taaf, Missionary Miller and Missionary Williams, to have prayer meetings. We would go to the home of one of the older ladies who later became quite prominent in Ipswich church. I brought my guitar and played to the songs; Mandy was there also.

The church was established in Ipswich with Pastor and Missionary Williams as the initial Pastors until Pastor and Missionary Bent were then installed as resident Pastors early 1985.

Lucy and Marcus summer 1984

Penny and Julian summer 1984

Memories from Pastor Ivylyn Mullings, Pastor Helen's mum

Most people were involved after the groundwork was done. Pastor Williams started it and then Mother Miller and I stayed at Penny and Lucy's house and continued until there were a few people to start the church then Elder Bent took over and people started going to support the work. Mother Miller and I rode our bikes up and down Nacton Road knocking on doors. We were blessed to have stayed with Penny and Lucy at that time and really enjoyed the work in Ipswich. It had its challenges, but we were happy to be in the service of the Lord. Praise God the church is still standing.

Memories from Pastor Penny Gordon

I had moved from Cambridge to Ipswich in February 1982 with my mum, sister and two brothers. In October 1983, our mum died in a tragic road accident and our world became very bleak. I was 16, my sister Lucy 15, my brother's Julian and Marcus were 13 and 11. In the summer of 1984, my siblings and I were all together in our home in Hervey Street when Helen and Mandy came to visit and shared the gospel with us. Julian and Marcus became part of the youth department in the Bibleway church in Cambridge and once the Ipswich branch opened, Lucy and I began attending. In these early years, the church helped to hold us together as a family and we enjoyed being part of the national, regional, and local choirs. It was a vibrant and exciting time for us as young people and our faith has been an anchor in our lives ever since.

Stepping into Volunteering

I have always volunteered in one capacity or another. Recently I was delivering a session at work and realised I have done at least 17 different types and there are even more as my first volunteering started when I was just 11 years old with St John Ambulance. Every step has been orchestrated by God of course, I did not know that then.

People are the heartbeat of whatever the Lord led me into, from helping at schools that my children attended to Sure Start to Governors.

One of the gifts God has given me is networking, Joshua 1: 3 wherever my feet tread I will take territory. I just make myself available and the Lord puts me in the right place at the right time and everything connects.

We have moved many times as a family and so we have lived in different communities and understand the enormous difficulties people face as I have

experienced many of these in my own life.

God just directs my path. However, you must be willing to step out of your comfort-zone.

I volunteered as a children's worker at a homeless lodge in Aylesbury and ended up getting funding and being offered a job. This was my first experience of working for a church organisation and it all started with volunteering. One of our greatest times of ministry.

Offering your time is an essential part of getting the most out of volunteering. Understanding trading cash for your time is not the mindset you need to have. I would say it is what you can learn from this experience and how you can make a difference.

I have been a Hope UK Drug Educator for over ten years this started with my Dad being an alcoholic and as a result I abstain from drink and drugs, it is a requirement to be an Educator. I have also been employed by them to develop their youth division Generation Hope.

When I lived in Aylesbury I volunteered at a youth club, this

led to my career in youth work and advocacy. Before I moved, I was Leader in Charge of seven youth clubs and one Specialist.

When we moved to Hertfordshire, I was given keys to the youth-club in Westmill in my first week and was asked by the current Youth leader who was from the largest church in Hitchin to take the baton, which the Lord directed me to accept.

I was in a Domestic Violence conference in Letchworth and God said, "It's time to use your experience again, you are ready." I have been a helpline volunteer for over 5 years.

I could not leave this piece without talking about pastoring and ministry which is definitely volunteering; it is my calling to help people.

There are so many reasons to volunteer all I can say is it is my passion that God has placed in me. So, volunteer and reap the benefits and blessings.

The Glue That Holds It All Together

Praise the Lord everyone, my name is Tracey-Ann Buckley. I have been part of the Bibleway Churches since I got baptised at Lewisham Church in 1991 along with my mum Deaconess Paulette Walker. Bishop White was our Pastor and he was a man who said that everyone should do something in church, even if it was just sweeping the floor. I was asked to help with the registration at Convocation in 1992/1993. In those days everyone was encouraged to pre-register, so I helped with typing badges for those who had pre-registered in time for convocation and also helped on the registration desk.

I was approached one evening whilst I was at BTI in 2008 attending choir practice when Apostle McIntosh came out of one of the rooms and saw me and said, "You will do," I was dragged into the room. When I went in, I said, "I will do, for what?" He replied, "You can take the minutes." This was the first Convocation Planning Meeting that I attended. I muddled through the minutes as I had no idea who some of these people were, let alone what they were talking about. I must have done a good job as I have been taking the minutes of the Convocation Planning Meeting ever since. I have been the Church Secretary at True Vine Apostolic Ministries since April 2009.

I started working under the administration of Apostle McIntosh until Bishop Copeland was elected as the Diocesan Bishop in October 2010. I then

worked with the National Co-ordinator until she resigned in May 2019. I continued to work with Bishop Copeland until the election of Apostle McIntosh to Diocesan Bishop in October 2020, continuing to take the minutes of the Convocation Planning Meeting and maintaining the National Diary. On 5th January 2020 I was appointed to Deaconess by Bishop Williams-Silvera.

I was appointed as the National Administrator in May 2021. My day normally begins with reading and responding to emails and sending information via WhatsApp to the leaders where necessary. I generally have at least one to two meetings a week whether it is the: Togetherness Centre Management Meeting, Togetherness Centre Volunteers Meeting, Leaders Meeting, Pastors Meeting, Convention Planning Meeting or Women in Ministry Meeting. This involves taking minutes, sending them out and also reminders about the next meeting. I also help with the management of Zoom at these meetings and various other meetings i.e. United Service, Women's Day of Prayer and fasting, Revival Prayer and fasting and any other national meetings. I manage the National Diary and various other administrative duties for Apostle McIntosh – whether it be sending reminders for meetings or carrying out research.

Our Seminar Facilitators

Sis Kimberly-Anne Evans is a young woman of God passionate about people coming to the knowledge of God's love. She was saved from a young age but would say her ministry began in her late teens where she held bible class for the local young people in her front room. She has facilitated many events on emotional healing and mental health well-being from the age of 19 and has followed a similar path in her career by becoming a qualified Psychotherapist. Now she is married to Pastor Aaron Evans and is supporting him in the ministry at Sacred Sanctuary Apostolic Church. Through her personal experiences and work supporting victims of sexual abuse and life-changing trauma, she believes God has called her to speak out about mental health in the church. In particular, to support the spiritual and psychological development of young women in the church.

Focus on India's Women's Ministry

Praise the Lord! Greetings in Christ to you all, I am Aruna Damien from Bangalore-Karnataka in India. I am an office-bearer- as Counsellor in our Women's group.

We are a group of 30 office-bearers from four different districts in Karnataka, that is Bangalore, Tumkur, KGF, Chikkaballapur. We gather for fellowship on fourth Saturday of every month. A minimum number for each gathering will be about 300 women. The fellowship starts with an opening prayer and goes on with praise and worship, message and witness. We also have activity sessions that are different every month. These include: cooking competitions, singing competitions, Rangoli/ drawing competitions, debates

essay writing and more. We have counselling sessions for individuals and wind-up with closing prayer and some snacks. This is our monthly gathering for worship. However, due to the pandemic, we are conducting the meetings online via Google or Zoom.

Other than this, we office bearers will join hands together for other ministries every week.

First week of Every month - **Hospital ministry.** We will visit one hospital every month to strengthen the patients with prayers and also support them with food and medications.

Second week of every month - **Jail ministry** - We visit women and children prisoners to share the Word of GOD, counsel them and share some tracks with them.

Third week of Every Month - **Orphanage Ministry** - We visit orphanages and spend a full day involving kids to join in activities, praise and worship and birthday celebrations for children. We support them with their daily needs, clothing, books etc, especially girls personal care.

Fourth Week of every month - **Old age Homes Ministry** - Every fourth week of the month will be for the parents. We visit the old age people in their homes and spend our entire day with them, helping them with their work like cleaning their rooms, making their beds, cloths etc. We also support them with clothing, bedding, and blankets etc. So, this is all about our women's ministries.

I am grateful to thank every heart that is praying and supporting our ministry. I am requesting you all to support us and uphold our ministry in your daily prayers.

Thank you all, Aruna Damien

GLOBAL MISSIONS

Testimony

Corner

My name is Evangelist Sheila Vaughan. I was born in Watt Town, St. Ann, Jamaica. I came to England in 1965 at 14 years old.

I was familiar with Church as I was brought up in Jarreton Baptist Church, my home church, where my great, great grandfather gave the land and all the surrounding grounds for the church to be built.

When I came to England, I immediately looked for a Church to attend but did not find one where I felt I belonged, so, for a period of time, I was not in church.

I started seeking to go back to serving the Lord in 1994, when I went back to Jamaica and was

invited to church by my neighbour. My heart was touched and convicted when I saw this young lady singing, praising and worshipping God with such passion and love for God. I prayed and made a promise to God that on my return to England, I was going to surrender my life completely to him and find a Church where God is worshiped and lifted up in spirit and in truth. God being so faithful heard my prayer and answered it.

The same day I returned from Jamaica, I met Pastor Mair (now deceased) handing out invitation tracks. She invited me to church, I went and was filled with the Holy Ghost even before I was baptised at Bibleway Church, Algernon Road, in 1995.

I now attend True Vine Apostolic Ministries under the leadership of Bishop Neville and Pastor Claudia William-Silvera. I serve as an Evangelist and am so honoured to do the will of God.

I have always had a strong desire for mission and had the privilege

of travelling to India several times and once to Zimbabwe.

God has been so good to me throughout my life journey, he is surely the good shepherd, he has never failed me yet.

I am so grateful and thankful to God for sparing my life to see my 70th birthday. I love the Lord and I just want to praise him with every fibre of my being, for his mercies, his grace, his love, his power and might. I am praying that his will and purpose will be fulfilled in my life. To God be all the Glory.

In 1983 I accepted Jesus Christ as my personal saviour. I was baptised in Lewisham at the convention that year whilst attending Bibleway Church, Cricklewood.

I got saved in Cricklewood (Bibleway Apostolic Pentecostal Church). At

the time I was living in Willesden Green where I served as the treasurer for the women's department. My Pastor at the time was the late Elder Barrows and his wife, Mother Barrows. I worshipped there for quite some time and later moved to Harrow because of a vision I received from the Lord. The journey to Harrow was not easy as the house I was buying fell through and at the time I had already got the children into school in Harrow so that meant I had to travel to Harrow and back over a period of time until I finally found a house.

One morning after taking my children to school I met a lady (Mrs Nurse), who enquired if I knew of a church she and her mother could attend; I knew it was God's will. I invited her to Cricklewood. Once a week we held prayer meetings at Mrs Nurses' and her daughter and son-in-law would attend. They were Christians but were baptised in the "Title." The son-in-law used to witness at Jubilee Clock in Harlesden.

After some time, a Pastor from Bible Way was appointed to pastor

the church in Harrow that had now been formed. I continued attending the church assembly in Cricklewood on Sundays in the mornings and then attend the Harrow service in the afternoons. My endeavour was to help organise and show the brethren how to prepare for the service. Mrs Nurse, her daughter and son-in-law got baptised in the name of Jesus and Mrs Nurse got filled with the Holy Spirit on her way out of the baptismal pool.

The Lord continued to use me in that I met a woman in the launderette whom I evangelised to; she later took up membership at the church. At the time I was a homecare worker and worked with Harrow Social Services. Eventually the late Bishop White sent Pastor Andrew Bailey to take over the Harrow Branch and to my knowledge it is still operating to this day, however, it was taken out of Bibleway.

Following on from there God laid it on my heart to buy pentecostal hymnals for the members of the church and so I was obedient,

and this led me to my next assignment which was to make chorus books with the help of Minister Cornell. It was challenging but I did it with diligence and from my heart, knowing that my reward is with Jesus who loves me unconditionally and whom I love with all my heart.

My next mission was in Hemel and little did I know but it is not my will, but God's will! I moved to Hemel Hempstead in the Millennium and another church was birthed "Abundant Life Bibleway Church"

"I accepted Jesus Christ as my personal saviour."

I have been a member of Upper Room Church, Northampton for many years. God is also using me in my local community where I have the privilege to work with female offenders on community orders who have mental health challenges. I also work as a Recovery Worker in a couple of my local MIND Crisis Cafes, offering a listening ear to people going through crisis. I love God and trust Him in everything I do.

I have been at the ARK Church for several years. I went to a church whilst growing up where I had the opportunity to help as a fund raiser. (This was my first time at church). This allowed me to experience something beautiful; serving God's people. I also work as a teaching assistant. I am excited to be the new team leader of the Women's department in the ARK.
